

# Southern-Style Pork & Marinated Nectarine

with Prosciutto & Corn Sauté

## WHY WE LOVE THIS RECIPE

This dish is brimming with summer produce favorites, like the juicy nectarine spooned over spiced pork chops, and the fresh corn and zucchini in our vibrant sauté.

## TECHNIQUE TO HIGHLIGHT

When cutting the kernels off of raw corn, we recommend standing the cob upright (making sure you have a good grip on the top) in the center of a sheet tray, which will help to catch all of the loose kernels as you cut vertically down the cobs.
