1. Za'atar, Ground Coriander, Ground Fennel Seeds, Ground Cumin & Black Sesame Seeds

1 Cook the freekeh

- Fill a medium pot $\frac{3}{4}$ of the way up with salted water; cover and heat to boiling on high.
- Once boiling, add the **freekeh** and cook, uncovered, 24 to 26 minutes, or until tender. Turn off the heat.
- Drain thoroughly and return to the pot.

2 Prepare the ingredients & marinate the radish

- Meanwhile, wash and dry the fresh produce.
- Medium dice the **figs**. Place in a bowl; cover with $\frac{1}{3}$ cup of hot water. Set aside to rehydrate at least 10 minutes.
- Zest the **lemon** to get 1 teaspoon (or use the small side of a box grater). Quarter and deseed the lemon.
- Quarter the **radish** lengthwise, then thinly slice crosswise. Place in a bowl; add the **sugar** and the **juice of 2 lemon wedges**. Season with salt and pepper; stir to combine. Set aside to marinate, stirring occasionally, at least 10 minutes. Taste, then season with salt and pepper if desired.
- Cut off and discard the stem ends of the **brussels sprouts**; halve lengthwise, then thinly slice crosswise.

3 Cook the steaks

- Pat the **steaks** dry with paper towels; season with salt and pepper on all sides.
- In a medium pan (nonstick, if you have one), heat **2 teaspoons of olive oil** on medium-high until hot.
- Add the seasoned steaks. Cook, turning occasionally, 8 to 10 minutes for medium-rare, or until browned and cooked to your desired degree of doneness.*
- Leaving any browned bits (or fond) in the pan, transfer to a cutting board and let rest at least 5 minutes.

4 Cook the brussels sprouts & figs

- While the steaks rest, to the pan of reserved fond, add the **sliced brussels sprouts** and **rehydrated figs**, including the liquid (carefully, as the liquid may splatter). Season with salt and pepper. Cook on medium-high, stirring occasionally, 2 to 3 minutes, or until softened and the liquid has cooked off.
- Turn off the heat.

5 Finish & serve your dish

- To the pot of **cooked freekeh**, add the **cooked brussels sprouts and figs**, **lemon zest**, and the **juice of the remaining lemon wedges**. Season with salt and pepper; stir to combine. Taste, then season with salt and pepper if desired.
- In a bowl, combine the **labneh** and **half the dukkah**; season with salt and pepper.
- Find the lines of muscle (or grain) on the **rested steaks**; slice crosswise against the grain.
- Serve the **sliced steaks** with the **finished freekeh**. Top the steaks with the **seasoned labneh**. Top the freekeh with the **marinated radish** (discarding the liquid). Garnish with the **remaining dukkah**. Enjoy!

*An instant-read thermometer should register 145°F.
