1 Prepare the ingredients

- Remove the **honey** from the refrigerator to bring to room temperature.
- Fill a large pot $\frac{3}{4}$ of the way up with salted water; cover and heat to boiling on high.
- Wash and dry the fresh produce.
- Halve the **radishes** lengthwise, then thinly slice crosswise.
- Cut off and discard any stem ends from the **green beans**.
- Halve the **potatoes** lengthwise.
- Thinly slice the **scallions**, separating the white bottoms and hollow green tops.
- In a large bowl, whisk together the **honey** (kneading the packet before opening) and **vinegar**; add the **sliced radishes**. Season with salt and pepper; stir to combine.
- In a separate large bowl, combine the **sour cream**, **caramelized onions**, **mustard**, **sliced white bottoms of the scallions**, and **half the spice blend**.

2 Blanch & finish the green beans

- Fill a medium bowl with ice water; add a **pinch of salt**. Set aside.
- To the pot of boiling water, add the **green beans** and cook 2 to 3 minutes, or until bright green and slightly tender.
- Leaving the pot of water boiling, using a slotted spoon or tongs, immediately transfer the **blanched green beans** to the bowl of **ice water**. Let stand until cool.
- Drain thoroughly and pat dry with paper towels.
- Transfer to the bowl of **dressed radishes**; toss to combine. Taste, then season with salt and pepper if desired.

3 Make the potato salad

- To the same pot of boiling water, add the **halved potatoes**. Cook 18 to 20 minutes, or until tender when pierced with a fork. Turn off the heat.
- Drain thoroughly.
- Transfer to the bowl of **creamy onion dressing**; season with salt and pepper. Stir to coat. Taste, then season with salt and pepper if desired.

4 Cook the steaks

- Meanwhile, pat the **steaks** dry with paper towels; season on both sides with salt, pepper, and the **remaining spice blend**.
- In a large pan, heat a drizzle of **olive oil** on medium-high until hot.
- Add the seasoned steaks. Cook 6 to 8 minutes per side for medium-rare (125°F), or until browned and cooked to your desired degree of doneness.*
- Transfer to a cutting board; let rest at least 5 minutes.

5 Slice the steaks & serve your dish

- Find the lines of muscle (or grain) on the **rested steaks**; slice crosswise against the grain.
- Serve the **sliced steaks** with the **potato salad** and **finished green beans**. Top the steaks with the **salsa verde**. Garnish the potato salad with the **crispy onions** and **sliced green tops of the scallions**. Enjoy!

*The USDA recommends a minimum safe cooking temperature of 145°F for steak. Cook the steaks an additional 2 to 3 minutes to achieve this. Consuming raw or undercooked meat, poultry, fish, seafood or eggs may increase your risk of foodborne illness.
