"Alexa, find Blue Apron recipes."

1 Prepare the ingredients & make the base

- Preheat the oven to 450°F.
- Wash and dry the fresh produce.
- Drain and rinse the **chickpeas**.
- Between the two trays, evenly divide the **spinach, tomatoes, drained chickpeas, tomato sauce, romesco sauce, peppers, half the za'atar**, and **as much of the red pepper flakes as you'd like**, depending on how spicy you'd like the dish to be.
- Add **1 tablespoon of water** to each tray. Season with salt and pepper; stir to thoroughly combine.

2 Add the eggs & bake the trays

- In each tray, carefully crack **2 eggs** on top of the **prepared base**. Season with salt and pepper.
- Tightly cover with foil and bake 18 to 20 minutes, or until the egg whites are set and the yolks are cooked to your desired degree of doneness.
- Remove from the oven.

3 Warm the pitas & serve your dish

- Meanwhile, place the **pitas** on a piece of foil. Drizzle each with **olive oil**; season with salt, pepper, and the **remaining za'atar**.
- Stack the pitas and wrap them in the foil. Place directly onto an oven rack; warm 3 to 5 minutes, or until heated through.
- Remove from the oven.
- Serve the **baked trays** topped with the **labneh** and **feta** (crumbling before adding). Serve the **warmed pitas** on the side. Enjoy!

When you're finished, rinse and recycle the tray.
