COOK ALONG WITH

"Alexa, find Blue Apron recipes."

1 Prepare & parboil the potatoes

- Place an oven rack in the center of the oven; preheat to 450°F.
- Fill a medium pot $\frac{3}{4}$ of the way up with salted water; cover and heat to boiling on high.
- Wash and dry the fresh produce.
- Medium dice the **potatoes**.
- Once the pot of water is boiling, add the **diced potatoes**. Cook 6 to 7 minutes, or until slightly tender when pierced with a fork. Turn off the heat.
- Drain thoroughly.

2 Prepare the remaining ingredients

- Meanwhile, cut off and discard the stem of the **pepper**. Halve lengthwise; remove the ribs and seeds, then medium dice.
- Peel and roughly chop **2 cloves of garlic**.
- Thinly slice the **scallions**, separating the white bottoms and hollow green tops.
- In a bowl, combine the **diced pepper**, **chopped garlic**, and **sliced white bottoms of the scallions**.
- Separate the **kale** leaves from the stems; discard the stems, then roughly chop the leaves.
- Grate the **cheese** on the large side of a box grater.

➡ ADDITIONAL STEP *If you chose Pancetta*

- In a large pan (cast iron or oven-safe, if you have one), heat a drizzle of **olive oil** on medium-high until hot.
- Add the **pancetta**. Cook, stirring occasionally, 4 to 5 minutes, or until lightly browned and cooked through.
- Leaving any browned bits (or fond) in the pan, transfer to a paper towel-lined plate.

3 Start the hash

- In a large pan (cast iron or oven-safe, if you have one), heat **1 tablespoon of olive oil** on medium-high until hot.
- Add the **parboiled potatoes** in an even layer (carefully, as the oil may splatter). Cook, without stirring, 3 to 4 minutes, or until lightly browned and crispy.
- Add the **prepared pepper mixture**; season with salt and pepper. Cook, stirring frequently, 2 to 3 minutes, or until softened.

➡ CUSTOMIZED STEP 3 *If you chose Pancetta*

- Start the hash as directed, using the pan of reserved fond.

4 Finish the hash

- Add the **chopped kale** and **1 tablespoon of olive oil** to the pan; season with salt and pepper. Cook, stirring frequently, 3 to 4 minutes, or until slightly wilted.
- Turn off the heat. Taste, then season with salt and pepper if desired.

5 Bake the eggs & serve your dish

- If your pan isn't oven-safe, transfer the **finished hash** to a baking dish.
- Using a spoon, create 2 wells in the center of the hash. Crack an **egg** into each well; season with salt and pepper.
- Evenly top the hash with the **grated cheese**.
- Bake in the oven 5 to 7 minutes, or until the egg whites are set and the yolks are cooked to your desired degree of doneness.
- Remove from the oven. Let stand at least 2 minutes before serving.
- Serve the **baked eggs and hash** garnished with the **sliced green tops of the scallions** and **as much of the hot sauce as you'd like**, depending on how spicy you'd like the dish to be. Enjoy!

➡ CUSTOMIZED STEP 5 *If you chose Pancetta*

- Bake the eggs and serve your dish as directed, topping with the **cooked pancetta** before the garnishes.
