

# Lucas and Lewellen

Red Blend, 2020

## ABOUT THE WINE

The Lucas & Lewellen Hidden Assets red wine is blended from a selection of Malbec, Merlot, Syrah, and several other red grapes. The result is a rich and elegant wine with a deep garnet color and plenty of personality. Aging in French oak barrels creates a layer of rich spice that makes this wine an excellent companion for hearty grilled or roasted fare.

## DID YOU KNOW?

Some of the most prestigious wines in the world are blends. The famous wines of Burgundy and Bordeaux are both made from blended red grapes.

## ABOUT THE REGION

Santa Barbara county is a high-elevation region recognized as one of the coolest growing climates in California. The moderate temperatures yield exceptional growing conditions where grapes can ripen fully on the vine while preserving juicy acidity.
