

# Blue Barrel

## Red Wine Blend, 2020

### ABOUT THE WINE

The 2020 Blue Barrel Red Wine Blend is vinified from Corvina, Corvinone and Rondinella grapes grown in the Veneto region of Italy. This light and bright wine was blended to bring out the best in your dinner. The balance of tart red fruit and light structure will work with cuisines ranging from light to rich.

### DID YOU KNOW?

The wine comes from the Veneto region of Italy, which is also home to prestigious Italian wines like Amarone and Prosecco.

### ABOUT THE REGION

The Veneto region is one of Italy's most prestige wine regions. It's located in the northwest of the country, where the climate is influenced both by the Adriatic sea and the Italian Alps. The mountains protect the region from cool Northern breezes creating a temperate climate that produces ripe, densely-flavored grapes. This low-lying land is often covered in fog, protecting crops from harsh rays from the sun.
